Sponsorship Opportunities

The Power of Research

When you partner with the Texas Biomed Founder's Council in support of the Texas Biomedical Research Institute, you become an integral part of a world-class organization that is making a positive difference in the lives of people everywhere.

**TEXAS BIOMEDICAL
RESEARCH INSTITUTE**
FOUNDER'S COUNCIL

Who We Are

The Texas Biomed Founder's Council is a community of individuals who support life-saving biomedical research through advocacy and financial contributions. Members of the Founder's Council provide annual donations to fund competitive grants for Texas Biomed scientists and actively participate in special events that celebrate the Institute's groundbreaking work and foster a sense of community.

Why Sponsor?

Some key benefits of being a Texas Biomed Founder's Council sponsor may include:

Exclusive Access: Sponsors have special access to institute tours, intimate receptions, and private events, providing a unique opportunity to interact with leading researchers and gain insights into groundbreaking research initiatives.

Impactful Engagement: Sponsors can actively participate in shaping the future of global health by contributing to vital research efforts, scientific advancements, and various programs supported by Texas Biomed.

Recognition and Networking: As a valued sponsor, individuals and organizations are recognized for their commitment to the advancement of biomedical research, and they have the opportunity to connect and collaborate with other like-minded supporters in the community.

Insider Updates: Members receive exclusive updates and reports on the latest research developments, scientific breakthroughs, and the impact of their contributions.
